2. Aldermanic Comments

Alderman Krimm acknowledged that Healthcare has been in the news a lot lately. If you are interested in looking at Healthcare Changes affecting Maryland, contact The Frederick Community Action Agency at 301-600-1506.

Alderman Aloï reminded everyone of the increasing costs of healthcare. On Saturday, September 21, 2013 she, along with some of my colleagues attended the 12th Annual Buddy Walk was held at Baker Park. It was a great fundraising opportunity for Down Syndrome with a great group of young people and adults affected personally or through family members.

Alderman Russell volunteered at the Grand Fondo National Championship Biek Race on September 22, 2013, which featured approximately 400 participants from several states. Alderman Russell also had the opportunity to attend the Indian Festival at the Talley Recreating Center which featured fabulous dancing and food. She reminded us that the Human Relations Commission will be hosting a Naturalization Ceremony at Tuscarora High School beginning at 11:00 a.m. on September 28, 2013.

Alderman Young brought up three issues: air quality, transportation and land use planning. In regards to air quality, the Washington Council of Governments' Air Quality Committee announced that there were only four unhealthy days this summer, no code red days, and we enjoyed the cleanest summer since 2009, despite the fact that EPA's air quality standards have been raised. Alderman Young also noted that The National Press Club will hold a meeting on Friday, September 27, 2013 where they will be discussing how to coordinate land use/transportation priorities. The event is hosted by the Washington Council of Governments and three representatives from the City of Frederick will be attending: Alderman Krimm, Alan Imhoff, and Alderman Young.

Alderman O'Connor reminded us that Oktoberfest is being held on September 28th and 29th, 2013 at the Fairgrounds. The event will benefit area non-profit organizations. Sunday, September 29, 2013 there is an open house for the new Pump Track located on East Street near 13th Street. Come out and bring your bikes.

The meeting adjourned at 5: 10 p.m.

Respectfully submitted,

Lauren O'Malley
